## **Instructions**

1. The Annual Performance Appraisal Report is an important document, it provides the basic and vital inputs for assessing the performance of an officer and for his/her further advancement in his/her career. The officer reported upon and the Reporting Officer should, therefore, undertake the duty of filing out the form with a high sense of responsibility. RO and RVO should not shy away from reporting shortcomings in performance, attitude or overall personality of the ORU.
2. General instructions w.r.t to APARs is given in the annual circular issued by CNV Division available on MEA intranet.
3. Every answer shall be given in a narrative form except where numerical grading is to be awarded. The space provided indicates the desired length of the answer. Words and phrases should be chosen carefully and should accurately reflect the intention of the officer recording the answer. Unambiguous and simple language may be used.
4. Although performance appraisal is a year-end exercise, in order that it may be a tool for human resource development; the Reporting Officer should at regular intervals review the performance and take necessary corrective steps by way of advice etc. It should be the endeavour of each appraiser to present the truest possible picture of the appraisee in regard to his/her performance, conduct, behaviour and potential.
5. It is expected that any Grading of less than 3.9 (overall Grade) would be adequately justified in the pen picture by way of specific failures and similarly, any Grade of more than 7.9 would be justified with respect to specific accomplishments. Grades of less than 3.9 or more than 7.9 are expected to be rare occurrences and hence the need to justify them. In awarding a numerical grade the Reporting and Reviewing authorities should rate the officer against a larger population of his/her peers that may be currently working under them.
6. For purpose of calculating average scores for empanelment/promotion, the following grades will be considered.

APARs graded	Grading	Score to be considered
Between 8 and 10	Outstanding	9
Between 6 and 7.99	Very Good	7
Between 4 and 5.99	Good	5
3.99 and below	Average	0

7. If the officer's integrity is beyond doubt, it may be so stated. If there is any doubt of suspicion, the items should be left blank and action taken as under:

(a) A **separate secret note** should be recorded and followed up. A copy of the note should also be sent together with the Confidential Report to the next superior officer who will ensure that the follow-up action is taken expeditiously. Where it is not possible either to certify the integrity or to record the secret note, the **Reporting Officer should state that he has not watched the officers' work for sufficient time to form a definite judgment but has heard nothing against the officer.**

(b) If, as a result of the follow-up action the doubts or suspicions are cleared, the officer's integrity should be certified and an entry made accordingly in the Confidential Report.

(c) If the doubts or suspicions are confirmed, the fact should also be recorded and duly communicated to the officer concerned.

(d) If as a result of the follow up action, the doubts or suspicions are neither cleared nor confirmed the officer's conduct should be watched for a period and thereafter action taken as indicated at b) and c) above.
